

# Mir Moiz Moosavi

## Independent ICT Consultant

Cost-effective and intelligent solutions  
for your business

Your business is evolving,  
and quality manpower is hard to come by these days.

What I provide are skills and a solid knowledge-base in  
business, process and technology.

With 14+ years of evolutionary experience in ICT,  
a depth of knowledge and crystal-clear understanding of the  
non-executive to the chairman levels ...

I know how to make things work.

---

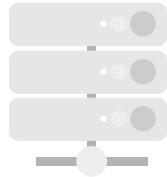

Solicit my services as a limited consultant, to take your business forward.

**I provide money-back guarantee for all my services.**

Some areas where I can be a valuable instrument for your business'  
continuity and success are shown; for other more specific matters  
pertaining your unique business needs; you are most welcome to  
reach out anytime.

Have a wonderful day!
